

TROLLEY CARS IN COLLISION

THEY WERE FILLED WITH DELEGATES TO ROYAL NEIGHBOR

Passenger Train Derailed Near Hot Springs and Same Fate Came

to Train in Ohio.

Indianapolis, May 14.—Two street cars, the second and the last in a string of three cars bearing a trolley party, delegates to the national convention of Royal Neighbors, collided this morning. Ten women were more or less injured, three seriously. They are Supreme Recorder, Mrs. Winnie Fielder, of Peoria, Ill.; Deputy organizer Mrs. A. D. Dawson, of Anoka, Minn., and Mrs. Joseph Briggs, of Soudan, Ia.

The front car stopped suddenly at a crossing and the rear car crashed into it. Besides those named above, the following were slightly injured: Mrs. Elizabeth Chesley, of Danville, Ill.

Mrs. Elizabeth Zimmerman of Indianapolis.

Mrs. Annie Warmen of Peoria.

Mrs. Anna Bear of Webster City, Ia.

Mrs. Sadie, Householder, of Sheridan, Ia.

Mrs. Clara Zook of Bloomfield, Ia.

Mrs. Mable Hamilton, of Northwood, Ia.

Jumped the Track.

Hot Springs, Ark., May 14.—An outbound passenger train on the Choctaw, Oklahoma & Gulf railroad jumped the track on a trestle embankment about a mile east of this city today, wrecking all of the cars except the Pullman sleeper, and carrying an iron bridge down into the Gulfina Creek.

Enginemen Killed.

WASHINGTON Court House, Ohio, May 14.—The Cincinnati & Pittsburg express was wrecked by the spreading of the rails east of this place today. Engineer May and Fireman Leighton were killed. Several others were injured.

A SHORT STOP AND PITCHER

RESERVES WON AT ILLIOPOLIS.

There is a possibility that Decatur will soon have two new men but their identity is withheld for the present. A decision on the question of signing

return of the team from its first trip broad.

Recognizing the fact that the team was weak at short one of the directors had been making inquiries among some of the larger leagues to learn if they had any material which might be utilized here. Letters were written nearly all of the larger leagues. At this time the managers of those associations are becoming more and more at the men they have been carrying and it is frequently the case that many men discarded from those organizations have been picked up by players who would be fast in such company as is presented in the three I league. Answers to all of the inquiries have not yet been received

been given them but that is a step

The manager of one team says, "I have a young pitcher that I will sell you. He would be a cracker-jack in our league. I know, for I have seen him work against some of the teams in your league and in one instance saw him hold down one of your heavy hitting teams to three hits."

THE DUGGAN CASE

Litigation From Moultrie County Comes Up In the Circuit Court Today.

DUGGAN CITED TO APPEAR

And Show Cause Why He Has Not Obeyed Orders Of Court.

The case of the village of Dalton City against Michael Duggan will come up in the circuit court this morning. It is a case brought here from Moultrie county and involves property boundaries. Judge Cochran heard part of the case and Judge Vail now hears more of it.

Duggan has been cited to appear and show cause why he did not comply with orders of the court in the case. The six divorce cases will also be tried today. There will not be much other business during the week.

The only matter of interest which came up in court Thursday was the continuing to the October term the case against Mayor Shilling and the city officials which was brought to restrain the city from collecting the assessments for the North Main street asphalt pavement.

The entries on the court docket Thursday were as follows:

Common Law.

Annie P. Parsons Publishing and Printing company vs. E. B. Pimack, appellant, appeal; rule on defendant to refund docket fee by third Monday.

Charles H. Stephens et al vs. William T. Grubbs, assumpsit; rule to plead extended.

Chancery.

R. L. Walton et al vs. Charles F. Shilling et al, injunction and relief; rule to plead extended to the first of next term.

Martina Rea vs. John C. Rea, divorce; rule to answer extended to second Saturday.

Arthur C. Blanchard vs. William C. Blanchard, divorce; leave to amend bill instanter.

Ria Peck vs. Warren Peck, divorce and injunction; leave to withdraw cross bill and suit dismissed at cost of complainant.

Village of Dalton City vs. Michael Duggan, injunction and change of venue from Moultrie county; leave to file amendments to bill and leave to file amended answer instanter.

Arthur S. Dumont vs. H. J. Hoagland, bill of discovery; rule to close evidence set aside and rule absolute on defendant to close proof by first day of next term.

GREATLY ALARMED

By a Persistent Cough, but Permanent—Cured by Chamberlain's Cough Remedy.

Mr. H. P. Burbage, a student at law, in Greenville, S. C., had been troubled for four or five years with a continuous cough which, he says, "greatly alarmed me, causing me to fear that I was in first stage of consumption." Mr. Burbage, having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size, was permanently cured." Sold by all druggists.

ROCKFORD INVITES DECATUR

Grocers Say That the Distance is Too Great for One Day.

The Grocers' Association of Decatur have received an invitation from the Business Men's Association of Rockford asking the grocers to come to that city when they give their annual picnic. Accompanying the invitation is a lot of printed matter boasting Rockford as a picnic resort. The printed matter is handsomely illustrated and shows many views on the river and some woodland scenes near that city.

The grocers do not hesitate to say that the distance from Decatur to Rockford for a single day's outing is too great. But for that fact they would consider the invitation.

If the grocers go out of town for their picnic and that is a point that they have not yet fully determined, they do not want such a long ride the day's sport begins. They feel that the outing must be near home. For that reason they have a committee inspecting picnic grounds close to Decatur. A committee has visited "Smith's Hill" near Ruby on the C. & N. W. west of Decatur. They declare that it is a picturesque spot where there is an old fashioned mill operated by water power.

They have other places to go to see what inducements are offered. Perhaps after all the picnic will be held in Decatur—no one knows. The out of town idea has some advantages, chief among which to the grocers is that it is less work and they can easily make expenses although they are not out for a money-making venture. The interest in the event is beginning to be manifest among the members of the association and by the time the next meeting is held they will be ready to debate the question of location.

NEW THEATRICAL ENTERPRISE

Launched By Mayor Fudge and Capt. Stafford.

Many of the people who passed the vacant lot at the corner of College and Eldorado streets Thursday stopped and looked at a big tent which was being pitched and then wondered what it was for.

Fudge and Stafford's vaudeville troupe are to show here next week and they were simply getting ready for business yesterday. The show is just starting on the road and this is to be the first town in which they give their entertainment. All the theaters are professionals and all of them are from out of the city with the exception of Will L. Smith who is to travel with the company. There are fourteen people in the company. Billy Fudge and Stafford, the managers, are both Decatur men and well known in show circles.

Fudge said yesterday that he has just organized the troupe and that they are from Springfield and as far south as Centralia and from there up into Michigan and Ohio.

The tent which is being used is 50 by 90 feet and has a stage at one end that is about 20 by 40 feet. It will seat about 700 people. The entertainment is to be vaudeville with the exception of an illusion called "Gulcher, or the Statue Turning to Life."

Mr. C. L. Hizer of Lincoln, Ill., says: "I have been a sufferer from constipation for the past twelve years, with severe griping pains in my bowels nearly every day. Since I began taking RE-GO Tonic Laxative Syrup my bowels have moved freely without griping. It is certainly a wonderful laxative." Sold by all druggists.

AN INDICTMENT

Will Be Returned By the Grand Jury Today Against Edley H. McCool.

CHARGING HIM WITH MURDER.

Wife of the Accused Not Included—She Is Not Competent Witness

The grand jury will very likely today return an indictment against Edley H. McCool charging him with the murder of W. G. McKler.

It is understood that there will be no indictment against Mrs. McCool, the wife of the man in jail.

The grand jury has been working on the McCool case all week, but at the same time has been hearing evidence in other jail cases and likely six or eight indictments will be given to the court when the returns are made.

It is not known when the trial of McCool will be held but it will very likely be started soon. It is barely possible that it might begin next week, or possibly a week from Monday.

Judge Cochran will be here next Monday and it will depend somewhat upon what he wants to do. He might want to take up the chancery docket before the people's docket, but if the lawyers want a trial at once it is likely that the judge will let them have it.

The lawyers on both sides have said that they would be ready most any time and have intimated that they would like an early trial.

The lawyers say that when the trial does take place it will be the most sensational one ever held in the county.

A large number of witnesses have been heard by the grand jury and most of these will be witnesses in the trial. Among those who were before the grand jury Thursday was Jerry Donahue who was asked about articles relative to the case which appeared in the Review.

Mrs. E. H. McCool, the wife of the prisoner, has not been before the grand jury. She cannot be a witness in the case either for or against her husband if anyone chooses to object.

She could testify by mutual agreement of the lawyers but otherwise she is not a competent witness. The law provides that in such cases the wife of the accused is not a good witness.

Join Country Club.

The executive board of the Country club at its last meeting acted favorably on the applications for membership of Dr. C. Martin Wood, Howard Cloyd, Warren Durfee, James Durfee and Harry Shlaudemann. The new addition to the club house is rapidly approaching completion.

Bountiful Nature has never yielded to the researches of science a remedy with as much merit as Hart's Honey and Horehound, which cures coughs, colds, la grippe, etc., prevents pneumonia and is an absolute specific for all throat and lung affections. Mr. D. W. Griner of Danville, Ill., says: "I have used Hart's Honey and Horehound, and it gave me perfect satisfaction. I consider it a preparation that will do exactly what it is recommended to do." Sold by all druggists.

NEW CANCELLING MACHINE

Installed at the Decatur Postoffice Yesterday.

The new cancelling machine for the Decatur postoffice has arrived and is being used. It is the kind known as the Bar-Pyke machine.

An American cancelling machine was first put in the office. The American company made some improvements on the first pattern and one of the new ones was put in the office and a short time afterward a second hand Bar-Pyke was sent here to displace the American.

The postoffice men wanted a new Bar-Pyke and now have secured it. The machine is used to cancel the stamps on letters and to postmark the letters. The machines are rented by the government at a cost of about \$30 a year.

Springfield Carnival.

At Springfield, during the Mid-Summer Carnival June 15 to 20 the following attractions will furnish the amusement for the week of fun: The Trained Wild Animals, The Dog and Pony Show, Cave of the Winds, Corn, The Human Doll, Crystal Maze, Glassblowers, Vespertine Gondolas, Carrots of Gold, The House Uplide Down, The Girl From U. S. Thore, The Statue Turning to Life, The Johnstown Flood, Electric Theatre and the production of the Mt. Police Disaster, Lizzette, The Kinetic Demon, The Stadium, The Great feature of all the Carnival, Splash and Spray, the World's Greatest High Divers, Told Mursi, Hades Neronancer, The Bicycle Whirl, Abdallah, the Arabian Chief and his Troop of Acrobats, the Marine-Glimory Family or Mid-Air Performers. This will positively be the greatest event in Central Illinois during the entire summer. Low excursion rates on all railroads, good for entire week.

New Street Signs.

Mayor Shilling expects to put men to work next week putting up the new street signs which were received some time ago. The signs have been stored in the basement of the courthouse. It will be a great satisfaction and convenience to the people to have the streets plainly labeled once more. The work has not been done for about twenty years and few of the old signs remain. A stranger is at a loss to find his way and even the city residents become muddled on the location of some of the more remote streets.

Goes to Hutchinson.

C. C. McGregor, who has been connected with the William Gushard Dry Goods company for some months past and has had charge of the firm's advertising has resigned his position and goes to Hutchinson, Kansas, where he takes a similar position with a large firm of that city. In the matter of newspaper advertising Mr. McGregor has had no superior in this city. His well prepared and effective "ads" appearing in the Herald are sufficient evidence of his ability.

A Farmer Straightened Out.

"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Pain Balm and told him to use it freely and if not satisfied after using it he need not pay a cent for it," says C. P. Ryder of Patton's Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Pain Balm. I want it in the house all the time for it cured me.'" For sale by all druggists.

THE LIBRARY BOOKS

It Is Expected They Will All Be Called in Next Week.

The books belonging to the public library now in circulation will very likely be called in next week although the librarian has not yet positively decided when the books will be recalled.

It is the intention to have all of the books which are now out and in the hands of the patrons of the place recalled so that the library will be complete when it is moved to the new building. It is the desire not to do this until about two weeks before time for moving and the books have not been called in because it was not known just how soon the moving would start. By the end of the week Mrs. Evans, the librarian, will know when the books will be called in.

Part of the library furniture which is to be taken to the new building and which includes most of the tables now in use has been sent to a finisher and will be repaired and polished and put in good shape. The old book racks will be offered for sale.
